

Art at Beechwood Primary School

By the end of studying Art at Beechwood Primary School, children will be able to talk about the following themes which they cover through the Kapow Primary Scheme of work:

- **Drawing** (exploring mark making in all its forms, using sketch books, exploring how artists develop their ideas)
- **Painting and mixed media** (developing painting skills, exploring the interplay between different media within artwork)
- **Sculpture and 3D** (constructing and modelling with a variety of materials, developing drawn ideas into sculpture.)
- **Craft and design** (designing and making art for different purposes, developing personal, imaginative responses to a design brief)
