19th September

## HAPPY FRIDAY!

We have had a busy week this week at Beechwood.

On Tuesday we had The CO Safety Crew in school, they did a whole school assembly as well as workshops with different classes about the dangers of Carbon Monoxide. We also loved having parents in this morning for our first celebration assembly.

This week has been a lovely but windy one!

We have had our first sporting team venture out to a competition at Lunt's Heath Primary School. They had a great time and showed the Beechwood spirit!

Our new safety officers went to a special event at the stadium.

THANK  
YOU

## Watch this space!

We are in the process of redesigning our school website! We will let you know when the new one launches! The old one is still working but may have some out dated information.

## PTA

This year, we will be raising money to continue our wonderful music lessons. In addition to this, we are looking at reinventing the home reading books we have in school. We will be sharing details of what this looks like in coming weeks- adding detail to the information already sent on the Diary Dates for the year.
