The children all looked super smart on Monday for their photographs- we hope you enjoy these when they arrive with you.

This year, we will be raising money to continue our wonderful music lessons. In addition to this, we are looking at reinventing the home reading books we have in school. You may have noticed but our gates are being repaired. They were damaged on the final day of half term and have been undergoing a revamp.

With this, they are kept open at some times. Please can I remind parents that unless they have an agreement with us, please do not drive into the car park. You will know that we have taxis coming in to school and therefore children moving around the car park.

THANK
YOU

Watch this space!

We are in the process of redesigning our school website! We will let you know when the new one launches! The old one is still working but may have some out dated information.
