Well done to the children in Kagan

Assessments

Year 2 and 6 have had a very busy half term. SATs. As a school we are extremely proud of all the children, their persistence shone through throughout all the assessments. Every child faced the challenges with a smile on their face and a determination to succeed. Whilst these characteristics won't be measured in the assessments, they will be measured in life. If the children continue to work in this way then they will all achieve their dreams! Well done children, we are all very proud of you!

PTA

Thank you to everyone that helped out and came along to our Summer Fair. We had another fantastic day and this year we raised approximately £1,800!

Class News

All of the classes have been working hard, here's a few highlights... EYFS: The children enjoyed learning the Gingerbread man story. They were amazed when the Little Old Woman sent them a parcel of ingredients and asked them to make her some gingerbread men because the one she made had ran away! Year 1: They held a tea party on the last day of term and invited a very special guest - the tiger! The children wrote invites and menus and then read and followed instructions to make cakes and sandwiches. Year 5: As part of their Geography lessons, the class explored the local area. Focusing on map reading skills, the children found and navigated the safest route around Beechwood. Year 3: They have been very busy working on their non-chronological reports. The children have also enjoyed starting their swimming lessons, persisting with different strokes.
