PTA

I would like to say a really big thank you to all parents for supporting our PTA events and supporting with donations.

Movie Night

The children all really enjoyed the Movie Night that we had in school earlier this half term. They watched films like Emoji Movie, Ice Age and Space Jam whilst eating treats. We managed to raise an impressive £360! Thank you to Mrs Beech for helping pull the event together.

Drama

Thanks to the money raised by the PTA so far this year, all of our children are enjoying taking part in a weekly drama session with a specialist drama teacher. It has been lovely to see the children shine during these sessions and we look forward to seeing them continue to develop their confidence next half term.

Well Done Year 6!

As a school we are extremely proud of all of our Year 6 children, they have worked hard in the build up to their SATs, listening carefully to advice and feedback; always striving to achieve the best that they can and their persistence shone through throughout all of the tests. Every child faced the challenges with a determination to succeed. Whilst these characteristics won't be measured in the assessments, they will be measured in life. If the children continue to work in this way then they will all achieve their dreams! Well done Year 6, keeping aiming high and you will continue to shine!

Library Visits

All of our KS2 classes have been to visit Runcorn Library this half term. Whilst there, they took part in a workshop and even learnt how to use catalogue numbers to order books. The children enjoyed taking part in a trail to find a variety of books and their catalogue numbers.

Sports

We would like to say a massive thank you to all of the parent volunteers who have helped us to transport the children without your support we wouldn't be able to take the children to all of these events.

King Charles III Coronation

To celebrate King Charles III Coronation we planned to have a huge family garden party celebration. Unfortunately, the weather didn't hold out for us to hold our planned garden party with families also attending but the party went on despite the thunder and lightening! Instead we had party food and dancing in the hall and when the weather dried up we moved outside to finish off with a few party games and of course the conga! The children had a lovely afternoon. A special well done to Merry and Jasmine who played the national anthem on their instruments. During this half term, all of the children have also completed a piece of writing and artwork to go on display in school inspired by the Coronation.

Year 4 Residential

Year 4 had a fantastic two night residential to Barnstondale. The children enjoyed challenging themselves with Olympic shooting, climbing, abseiling, archery and even learning how to clean their own dishes. The children were a real credit to their families and the school throughout their residential.

Hawking Class Assembly

Well done to all of the children in Year 4 for their class assembly. It was lovely to see how much they have grown in confidence when speaking to an audience and to hear about all of their amazing writing skills that they have developed this half term. The children also wowed us with their pirate work that they have completed with our drama specialist teacher, they had the audience enthralled with their mini production and it was lovely to be able to see the impact that our drama tuition has had in such a short space of time - well done Year 4!

Arts

Year 1 and Year 2 Infant Music Festival

Year 1 and 2 excitedly walked to the Heath High School for the KS1 Music festival; 'A song for every subject.' They were joined by other Halton Schools. They had a wonderful time, singing together 6 songs, their favourite songs being 'March to the beat' and 'The Number bus' song. All of the children made an animal mask for the festival which all looked amazing too. Well done children and thank you to the parents who joined us on this trip.

On our school website there is a reporting tool for reporting any concerns that you may have to school. You can also submit your concerns anonymously this way if you would prefer. Alternatively you can send a message through Seesaw to any member of staff regarding any concerns that you may have.
