

## Beechwood Primary School

Please note these are generic concerns, child specific concerns will be addressed in person

### Analysis of suggested improvements from the End of KS2 Questionnaire July 2018

<b>Suggested Improvement</b>	<b>What we are doing about it/plan to do about it</b>
None	

### Analysis of suggested improvements from the End of KS1 Questionnaire July 2018

<b>Suggested Improvement</b>	<b>What we are doing about it/plan to do about it</b>
Communication of homework or last minute things needed, relying on children to inform parents doesn't always work	We use homework sheets, Seesaw and text messaging to inform parents of the vast majority of homework tasks/things needed for class. As the children progress through Year 2 we like to try to further develop their independence; towards the end of the year, at times, we do ask children to tell the parents what their homework is. Next year, we will look at also sending a message to parents so they know what the children are talking about when they explain their homework/things that they need.
More notice on PTA events	PTA events are always planned at PTA meetings, at least half a term prior to the event happening and minutes from the meetings are sent to all families. Some of the key dates are also put on our Dates for your diary however we usually send this out before the first PTA meeting of the school year. Next year we will hold off on sending out the dates for your diary and ensure that we also include the PTA dates.

### Analysis of suggested improvements from the End of EYFS Questionnaire July 2018

<b>Suggested Improvement</b>	<b>What we are doing about it/plan to do about it</b>
Informing parents in person of the end of year attainment	We currently offer parents in Y2 and Y6 the opportunity to collect their child's SATs results and we also offer the parents in Y1 the opportunity to collect their child's phonics score. Any scores that are not collect are sent home in the child's end of year report. From next year we will also offer EYFS parents the opportunity to collect their child's end of year attainment data.
To double check data being sent home is correct before releasing it	Procedures have been revisited and reviewed. From now on all information sent home will be double checked by a different member of staff before it is given to parents
