## Assessments

Year 2 and 6 have had a very busy half term. This academic year the children all sat the 'new style' SATs. As a school we are extremely proud of all the children, their persistence shone through throughout all the assessments. Every child faced the challenges with a smile on their face and a determination to succeed. Whilst these characteristics won't be measured in the assessments, they will be measured in life. If the children continue to work in this way then they will all achieve their dreams! Well done children, we are all very proud of you!

## PTA

Thank you to everyone that helped out and came along to our Summer Fair. We made approximately £1,700!

## Class News

All of the classes have been working hard, here's a few highlights...

Year 1: The children loved learning the story about a Tiger who came to tea. They wrote invites, made sandwiches and held their own tea party! Year 2: Cooking in D&T was definitely a highlight this term! The children were fascinated with learning how to make a sausage roll! Year 3: The children have embraced the topic of Anglo-Saxons and they enjoyed learning about this era.
