Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment. We recommend regularly updating the table and publishing it on your website as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> School Games Platinum achieved in 2019 for the first time Profile of sports / PE has been visibly raised over a sustained period Increased numbers of pupils competing in county level competitions – cricket, netball Investing in sustainability which includes professional development for staff. Increased opportunities for competitive sport 	<ul style="list-style-type: none"> Target inclusive opportunities for all children, by introducing them to sport and physical activity in fun and innovative ways which will include sport specific introductions such as ice skating. Increase the number of children representing the school at sporting events Improvements in the quality and breadth of P.E. and sporting provision, including “increasing participation in P.E. and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of”. Develop the use of Daily mile further for mental health benefits and increased fitness

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	% to be included after April
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	% to be included after April
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	% to be included after April
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/No Funding will be used to offer current y5/6 children catch up swimming lessons to increase the percentage of children

	who can swim to distance of 25m.
