Well done to the children in
Costa

Year 2 - Foxhowl

We are delighted that our first Residential visit in over 2 years was able to go ahead this half term. Our Year 2 children went to Foxhowl, Delamere for one night and two days. The children had a fantastic time, building shelters, pond dipping and singing around the campfire. All the staff were so proud of how well the children behaved and how independent they were throughout their time away.

I would like to say a special thank you to Miss Arnold, Mrs Allford, Mrs Bignall and Mrs Woodcock for volunteering to give up their time so that the children can have this magical experience

Year 5 - Class Assembly

Well done to our Year 5 children for their brilliant class assembly, as well as sharing a little bit about all of their learning in class, the children told us all about Easter and the different traditions. At the end of the assembly the children shared a little gift with their mum's to thank them ahead of Mothering Sunday.

World Book Day

The children all looked amazing on World Book Day, thank you for providing them with their lovely costumes. This year the children were able to rotate around the different classrooms and the staff really valued having the opportunity to work with the children from other classes. The children took part in a range of activities including; planting beanstalks, following instructions to create their own bookmarks, making animals masks, designing costumes for a meerkat, creating fruit skewers and creating their very own Gruffalo puppets

Congratulations to....

Emmie, Alijah and Louie (YR),
Nancy and Ben L (Y1)
Willow, Arya and Summer (Y2),
Daisy-Mai and Alex (Y3),
Dougie and Reece (Y4),
Sonny and Katie Shar (Y5),
Sebastian and Summer (Y6).

For their excellent work this half term, keep up the hard work!

Thank you!

We would like to say thank you to all families for your support with Comic Relief and the DEC Ukraine Humanitarian appeal, during our own clothes day we managed to raise an impressive £296 which we split between the two charities.

Sports

Thank you to all of the families who have supported with lifts, without your help we would not be able to attend.

Year 5/6 Swimming Gala

The team went to Kingsway Leisure Centre to take part in Runcorn Primary Schools Swimming Gala, they all did really well and came a very impressive 2nd Place! A special well done to Chloe who was the overall winner for the girls 25m backstroke

Year 3/4 Dodgeball

The team went to Halton Lodge Primary School to take part in the Dodgeball tournament. They all tried their best and showed great sportsmanship throughout.

Arts

Year 6 - The Brindley

We were delighted that our Year 6 children were able to perform on the stage at The Brindley as part of Halton Primary Arts Networks 'Light' performances. The children sang beautifully during the whole group songs and performed their instruments with confidence during our school performance. A special well done to Lily, Ellie and Summer who created and performed a short dance during one of the whole group songs. This performance forms part of the children's Arts Award Journey which they have been completing this academic year.

Choir - Children of the Hub Sing

Our choir, which is made up of children from Years 3 to 6 worked incredibly hard to learn a range of different songs for the Children of the Hub Sing event. Unfortunately the live on stage performance was cancelled however they were able to record their songs and we look forward to seeing the final film that includes all of the different schools.

Year 5 - Royal Opera House

Our Year 5 children have started their work on their Royal Opera House project which is linked with the Alice in Wonderland ballet, they have been learning how to be stage designers and how to create and perform dance linked with the theme.

Year 5 - Malala Class

Our Year 5 children have had a very busy half term, as well as the items listed in other parts of the newsletter, the children have taken part in a range of other activities:

Crucial Crew

Year 5 visited Crucial Crew at Halton Stadium where they learnt lots of useful tips of how to keep safe by train tracks, when crossing the road, meeting new dogs and how to stay safe near power lines.

Science in Industry

During science week, Year 5 were lucky to have Richard, an engineer from Solvay come and help them complete their science challenges. Their first challenge was to investigate which tape was the best to fix leaky pipes. Their second lesson gave them the opportunity to make a heat exchanger. The final challenge was to separate oil from water - which was tricky!

Easter Journey

They had an exciting visit to the Community Church in Frodsham. They took part in the Easter Journey, learning about the events that happened in the last week of Jesus' life.

Easter Activities

Our children have enjoyed taking part in our Easter activities this last week. Egg rolling was great fun and it was lovely to see all of the children cheering each other on and showing great sportsmanship throughout the session. Our winners were: Carter and Bella (YR), Millie and Elsie (Y1) Arya and Lewis (Y2), Harper and Elliot (Y3) Dougie and Brooke (Y4) Charlie and Merry (Y5) and Amber and James (Y6)

Well done to everyone who entered the Easter Bonnet competition, we were blown away by the creativity of the children, they had all clearly worked very hard at home to create the amazing designs. Staff found it extremely hard to pick a winner for each class. Our winners were: Picasso - Bobby, Rosen - Emily, Attenborough - India, Lewis Carroll - Reggie, Pankhurst - Serena, Hawking - Tristan and Harriet Malala - Mollie

PE Uniform

Just a reminder that our PE kit is plain black shorts and red polo neck t-shirts. Also from September we are changing our tracksuit requirements to plain black, whilst many children already have plain black, it is currently a preference rather than a requirement. However as the children are now wearing them all day we feel that it's important to ensure that we have a consistent approach..
