<p>12. Please make comments about the teaching of Maths</p> <p>Don't know what you've done to turn my child's maths around but they no longer dread it and they have made really amazing progress</p> <p>My child has adjusted well to Singapore Maths and we've enjoyed seeing their progress in homework activities</p> <p>We have seen great improvement in our child's capabilities over the past year</p> <p>No concern, the methods clearly work</p> <p>I appreciate the way that parents can also learn how to support</p> <p>Singapore Maths has really helped</p> <p>Our child has found this subject tough but has had good support, we are very happy with the SATs results</p>
<p>13. Please make comments about something you have really valued regarding your child's time in school</p> <p>I have loved the enthusiasm of the staff, each member of staff knows all of the children and the effort that they put into making school fun and exciting as they learn is exceptional</p> <p>I have always valued how the school sees my child as an individual rather than a statistic</p> <p>Communication is great, opportunities of all kinds are wonderful and really value the support and encouragement given to my child</p> <p>I value the communication the school keeps with parents, always keeping them up to date and in the loop on changes and progress</p> <p>My child's happiness</p>

My child has grown in confidence

Additional support given to my child

I value the school's approach to teaching, I consider there to be an excellent balance between academic and non academic subjects.

My child has enjoyed every day in school. I value the fact that they have always felt happy and secure in school, they have grown in confidence and they have a positive attitude towards learning.

My child's musical ability and SATs

14. Please express your view about the opportunities that your child has had during his/her time at school

I have always been amazed at the plethora of opportunities offered at Beechwood and my child has always grasped these enthusiastically.

My child has experienced amazing opportunities with sport, music and drama performances this year alone! The extra-curricular activities and residential have been super

My child has had many opportunities outside the classroom, forest schools, ice skating, sports music and performing, it is good that they have been able to experience different things.

Fantastic! I wish I had had these opportunities when I was at school

Music, sporting events

I appreciate all of the opportunities that my child has had such as exciting trips and events. My child has been very excited about them

Very happy with all of the opportunities my child has had at school, especially the music tuition

Pleased that my child has had opportunities to learn an instrument

My child has had loads of opportunities, especially those that involved singing

My child has been involved in a lot of activities and seems to have had lots of opportunities e.g. cooking, swimming, gymnastics, bike ability, school trips, monopoly, music lessons and forests schools. Singing at the Brindley was great.

I am pleased with the opportunities my child has had to try many new and varied activities.

15. Please list anything that you think the school has done well

Everything!

Keeping the kids motivated and ambitious

I am extremely pleased with how broad and balanced the curriculum offered to my child has been

Good variety of after school clubs, giving the children lots of sporting opportunities. Continuous support to get them through their SATs without putting them under too much pressure

Communication via Seesaw and text service has been a great way of sharing information. All of the extra sport and music opportunities KS2 have been part of

SATs scores

Maintained a good standard of teaching that is enjoyable to the children and given lots of other opportunities.

Offered varied activities - different sports and forest schools

16. Please list anything that you think the school needs to improve

Nothing
